Dear [REDACTED] FOIAb6

I regret to inform you that the table of organization recently received by us does not allow the increase in personnel ceiling which we had anticipated.

We are presently conducting a thorough survey of our grades and ratings and adjusting same to conform to the new table of organization. For this reason, it may be necessary for us to delay your actual entrance on duty when your processing is completed.

This situation has not altered our desire to employ you in this organization, but it has prohibited us from giving you a definite date on which you might expect to enter on duty.

Sincerely,

[REDACTED]
